

AILIN TORRE VAL

Web Development Student

PROFILE

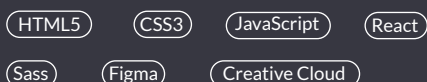

I'm a dedicated person with a problem-solving attitude. Detail oriented, with a logic mindset. My desired next professional step would be to work in a dynamic team where I can expand my skills set and also learn from my mentor/ colleagues.

I'm eager to apply my passion for coding in an exciting new challenge.

EDUCATION

Currently studying Multimedia Design (AP) at KEA.
Oriented to Front End Development.

What I've been learning:
